DAY CAMP GUIDELINES

PHASE 3 OF RESTORE ILLINOIS PLAN

Our Programs and the COVID-19 Pandemic

This latest revised brochure offers programming that is consistent with the Illinois Department of Commerce & Economic Opportunity Restore Illinois Phase 3: Recovery guidelines. These guidelines address many issues, such as PPE, cleaning protocols, class size and social distancing requirements. The Park District is currently developing rules and procedures for all of the programs contained in this brochure. Each registrant will receive written details for our programming protocol no later than one week prior to the start of your program. This will allow each participant family to make an informed decision regarding the safety protocols we will be following and whether or not those protocols satisfy their expectations prior to attending their first day. Any participant who opts out and would like a refund will receive one, whether that is prior to the program start or sometime within the interior of the program schedule. Thank you for your cooperation and please contact us should you have any additional questions.

Sincerely,
Burr Ridge Park District Staff
And Board of Commissioners

Don't Let Your Student Fall Down the "Summer Slide"!

Studies conclusively show that students can lose about two months of grade level equivalency in reading, and math over the summer. Without ongoing practice and education, students fall behind in academic measures and opportunity. As Illinois begins to open up you can be confident in knowing that we will continue to follow all of the state recommended protocols. WBRSPC and Performance Tutors goes above and beyond safety with social distancing, multiple hand cleaning stations and an extremely sanitary environment. Our facility first and foremost is designed with peoples well-being in mind. The health and safety of every individual that comes into our center is our top priority!
